BILL STATUS: CR Adopted - 1st House

FUNDS AFFECTED: X GENERAL

FEDERAL

IMPACT: State & Local

Summary of Legislation: This bill: (1) renames the Driver Licensing Advisory Committee as the Driver Licensing Medical Advisory Board; (2) requires one member of the Board to be a neurologist with expertise in epilepsy; (3) makes it a Class D felony for causing serious bodily injury to or the death of another person when operating a motor vehicle after knowingly or intentionally failing to take prescribed medication, the taking of which is a condition of the issuance of a restricted driver's license and a Class C felony for the commission of the offense after certain prior convictions; (4) requires suspension of the person's driver's license after conviction; and (5) makes conforming changes.

Effective Date: July 1, 2003.

Explanation of State Expenditures: *Part 3 - Penalty Provisions:* A Class D felony is punishable by a prison term ranging from six months to three years or reduction to Class A misdemeanor depending upon mitigating and aggravating circumstances. A Class C felony is punishable by a prison term ranging from two to eight years depending upon mitigating and aggravating circumstances. The average expenditure to house an adult offender was \$25,087 in FY 2001. Individual facility expenditures ranged from \$18,520 to \$54,465. (This does not include the cost of new construction.) If offenders can be housed in existing facilities with no additional staff, the average cost for medical care, food, and clothing is approximately \$1,825 annually, or \$5 daily, per prisoner. The average length of stay in Department of Correction (DOC) facilities for all Class D felony offenders is approximately ten months, and approximately two years for all Class C felony offenders.

Part 4 - License Suspension: The Bureau of Motor Vehicles (BMV) will suspend licenses through its current license suspension protocol. There will be no additional fiscal impact. In CY 2001, 133,439 licenses were suspended.

Explanation of State Revenues: *Penalty Provisions:* If additional court cases occur and fines are collected, revenue to both the Common School Fund and the state General Fund would increase. The maximum fine for a Class D and a Class C felony is \$10,000. Criminal fines are deposited in the Common School Fund. If the case is filed in a circuit, superior, or county court, 70% of the \$120 court fee that is assessed and collected when a guilty verdict is entered would be deposited in the state General Fund. If the case is filed in a city or town court, 55% of the fee would be deposited in the state General Fund.

Explanation of Local Expenditures: If more defendants are detained in county jails prior to their court hearings, local expenditures for jail operations may increase. The average cost per day is approximately \$44.

Explanation of Local Revenues: If additional court actions occur and a guilty verdict is entered, local governments would receive revenue from the following sources: (1) The county general fund would receive 27% of the \$120 court fee that is assessed in a court of record. Cities and towns maintaining a law enforcement agency that prosecutes at least 50% of its ordinance violations in a court of record may receive 3% of court fees. (2) A \$3 fee would be assessed and, if collected, would be deposited into the county law enforcement continuing education fund. (3) A \$2 jury fee is assessed and, if collected, would be deposited into the county user fee fund to supplement the compensation of jury members.

State Agencies Affected: Department of Correction; Bureau of Motor Vehicles.

Local Agencies Affected: Trial courts, local law enforcement agencies.
